

Hillary almost had one less Bill... ...and you could too!

EZ Pay Plan what could be simpler!

Hillary dealt with her Bill, but Sign up now for our EZ Pay Plan and we can eliminate your Daily News bill - every month we'll draft the amount from your checking account to pay your Daily News subscription.

You'll have the convenience of making your payment from your checking account - without writing the check, finding an envelope and stamp, and mailing your payment.

Each payment is recorded on your monthly bank statement. Your payment is always made on time. And one less Bill.

Terms and Conditions of Authorization

I authorize my financial institution to draft my checking/savings account monthly for the established monthly subscription rate. The monthly charge will appear on my bank statement. I understand that I will receive a notice at least ten days prior to the payment date if the rate should increase. I have the right to stop payment of a charge by notification in writing to the Daily News Circulation on or before the first day of the month in which I wish to stop the draft. This authorization will remain in effect until revoked by me, my bank, or the Daily News. I agree to notify the Daily News in writing of any address change, financial institution change, or account change. I understand my account must be current to start the EZ Pay Plan.

I am enclosing the enrollment form and a voided check.

(Delivery interruptions will be reflected in the expiration date - it will be extended.)
